At The Shrine of Our Lady of Walsingham, we take the issue of safeguarding and our responsibilities under data protection regulations very seriously. This includes ensuring the appropriate use of images of children, young people and vulnerable adults.

As such we require the written consent of parents or carers to use photographs or video recordings of children, young people (under 18 years old) and vulnerable adults.

Any use of photographs or videos is underpinned by our Safeguarding Policy. We will only caption with first names, if appropriate, and will not publish personal information such as addresses or other contact details by which the person in the photograph or video could be identified.

Photographs may appear in printed material (such as The Walsingham Review) or may be used for display purposes at the Shrine.

We may on occasion circulate images to local or national media or upload them to parish/ diocesan websites and social media, but only with the express permission of the parent or carer – see below.
