

THE SHRINE OF OUR LADY OF WALSINGHAM

EDUCATIONAL VISITS TO England's Nazareth

Information for Schools, Churches and Community Groups

INTRODUCTION

Founded by the Lady Richeldis in 1061, destroyed by Henry VIII in 1538, restored in 1922 by Father Hope Patten, the Anglican Vicar of Walsingham- the Shrine has had an eventful history across nearly a thousand years.

This medieval place of pilgrimage, which rivalled Canterbury as a destination, was visited by thousands of pilgrims from across Britain and Europe.

It became known as 'England's Nazareth' because of the nature of the vision which the Lady Richeldis experienced.

Today, after 350 years reformation neglect, the past 95 years have witnessed the dramatic restoration of pilgrimage to Walsingham.

The Walsingham Story

In the year 1061, in the reign of St Edward the Confessor, a widow of the lord of the manor of Walsingham Parva, called Lady Richeldis, had a vision of the Virgin Mary. The Virgin Mary appeared to Richeldis and took her in spirit to Nazareth and showed her the house where the Angel Gabriel had appeared to her. Richeldis was told to take note of the measurements of the Holy House and to build a reproduction of it in Walsingham (hence the name 'England's Nazareth' which was given to Walsingham). Richeldis saw the vision three times.

It proved difficult for workmen to build the wooden house and Richeldis spent all night in prayer. The next morning it was discovered the chapel was completed and it was believed that Our Lady, with the assistance of the holy angels, had removed the House to the spot which she herself had chosen, by which a spring of water was found. This is the Walsingham legend.

Walsingham quickly became a centre of pilgrimage and was the most popular pilgrimage site in Britain. In the 14th century Augustinian Canons built a Priory to look after the pilgrims and they encased the Holy House in a chapel of stone to protect it. Many kings and queens came to pray at the Shrine, the first being Richard Coeur de Lion. Pilgrims often took off their shoes to walk the last mile to the Shrine barefoot as a sign of penitence, or being sorry to God. This place is now the site of the Slipper Chapel (the Roman Catholic National Shrine).

In 1536 King Henry VIII, who had made pilgrimages here, dissolved the monasteries (destroyed them). In 1538 his Commissioners came to Walsingham to break up the holy buildings and seize any valuable goods and the Shrine was destroyed. They burnt the statue of Mary with the infant Jesus on her knee which was above the altar.

In 1921 Father Alfred Hope Patten became the Vicar of St Mary's Church in Walsingham. He wanted to revive pilgrimage to the village so he had a statue carved from wood of Mary with Jesus. It was copied from the original Priory seal now in the British Museum. This statue was put in a side chapel in St Mary's Church.

Father Patten set about raising money to build a new shrine. He purchased some land in the village opposite the Priory and plans were drawn up for a church to be built with a Holy House inside it. The church was designed so that it would resemble the original shrine, although it was made of stone not wood. A well was discovered when building started and is part of the new church.

In 1931 the statue was taken from St Mary's Church and placed above the Altar in the new Holy House. Pilgrims were invited to light candles in it as a sign of their prayers. In 1938 that church was enlarged to form the Anglican Shrine, more or less as we know it today.

Visiting

The Department is dedicated to providing opportunities to promote students' spiritual, moral, social and cultural development through curriculum based programmes with a special emphasis on Christian faith; we have recently been awarded our second Sandford Award for excellence in heritage education.

The Sandford Award Administrator wrote to the Department as follows:

"I am delighted to inform you that The Anglican Shrine of Our Lady of Walsingham has won another Sandford Award. Congratulations! Our judge, Jenny Newhouse was very impressed by the learning programmes on offer at the site and felt that they were worthy of commendation by the scheme."

We offer a number of educational programmes to suit various age groups; most of these last a whole day (usually 10.00am to 3.00pm, but timings can be adapted to suit your needs). Whatever else may be provided, our programmes always include the theme of pilgrimage and a visit to the Shrine Church.

Residential visits offer far greater scope for planning an unhurried programme and we can tailor-make a package to suit the needs of your students.

In this brochure you will find a selection of themed, guided visits. All are adaptable for SEN, parish and community groups. The programmes are carefully planned to enhance and supplement your teaching across the curriculum. They are linked to the National Curriculum and Local Agreed Syllabi for RE/Nonstatutory National Framework for RE, for example:

RE / RS: Pilgrimage, Christianity, Places of Worship, Symbolism, Beliefs and Practices, Festivals, Religious and Moral Stories, Rituals, Moral and Ethical Issues.

Art: Religious Art, Icons, Sculpture.

History: Medieval times, Tudors.

Spiritual and Social Development: Lots of opportunities for discussion and reflection.

A visit to Walsingham can also help your pupils meet the agreed local SACRE and SMSC learning objectives. It can also help support the use of the RE teaching resource '*Understanding Christianity*'.

General Information

Lunches and Refreshments

Upon booking, you will be allocated a room for your use during the day. Any lunches, coats etc. can be left there as the room will be locked when not in use. You are welcome to eat packed lunches in there or weather permitting you can picnic on our beautiful gardens. Rubbish sacks and bins will be provided for your use. You are also welcome to order meals or packed lunches from our refectory. These must be booked in advance.

On the ground floor of the Refectory complex is the Norton Café. Light meals/sandwiches and refreshments may be purchased here. We would ask however, that you contact us in advance if a large number of pupils/students wish to purchase food during the lunch break.

Behaviour

The Shrine is a peaceful and quiet place of prayer and worship. We therefore ask you to explain to your pupils in advance of your visit that quiet, respectful behaviour is appreciated. There will often be pilgrims and other members of the public at the Shrine. Groups are welcome to enjoy the gardens at lunch time, but we would ask that there is no running around.

Toilets

Toilets are located next to the main reception area and next to the Norton Café, on the ground floor. There are disabled facilities in both areas. These are open to the general public so adult supervision is required at all times.

Shrine Shop

The Shrine Shop is in Common Place almost opposite the entrance to the Abbey grounds. It is generally open during the day and groups are welcome to visit. We do ask that only 8 students, with at least one adult go into the shop at one time, due to its size. This ratio should also be applied to other shops in the village.

Risk Assessment

As part of the booking process, we will send you our risk assessment advice. This will hopefully aid you in undertaking your own risk assessment. We encourage visits to The Shrine in advance and we will be happy to arrange a date and time for you to be shown round by a member of the Schools department.

Sprinkling

The Sprinkling at the Well service takes place at the Saxon well in the church and is an important part of pilgrimage. The priest will explain about the service and then lead a prayer before inviting pilgrims to go to the well. Pilgrims receive the water in three ways: a sip to drink, the sign of the cross on the forehead and poured into their hands. It represents the gift of life, a reminder of baptism and the constant generosity of God's love. It is a non-sacramental service, but gives the pupils a 'hands-on' experience of pilgrimage and is very popular with schools. Receiving the water however, is not compulsory and any pupils or students who do not wish to take part are invited to watch.
